## About This Game

This visual novel is a collection of alternative realities. How events would turn out and how they end will depend on your choices.

Visit wolf's den and solve his secret, or try to tame the wild beast.

Eat a pasty with mushrooms and experience something new, or feed it to the old lady, because it's her favorite filling.

Find out the real reason why Wolf attacked Red Riding Hood's Grandmother.

### Features

- Multiple endings
- Thriller, melodrama and comedy inside one game
- More than 150 colorful 3D scenes
- Cross-platform

- 
- Steam trading cards

- Steam achievements

- Steam cloud

Commercial version improvements.

- New artwork (more than 250 images)

- An additional quest line.

- New quests and mini-games.

- Text quest tutorial.

- Steam achievements and trading cards.

Developer:

NLB project

Publisher:

NLB project

Release Date: 19 Jan, 2018

b4d347fde0

English,Russian

Two blue lights glowed inside the bushes.

---

return of red riding hood enhanced edition

positive review support. There are so many endings to this. It's a really weird game but in a fun way. The terrible graphics make it even better. :D. I've completed one playthrough up to this point... and I actually kind of dig it. The UI is clumsy, spelling issues galore but there's just something about this game. It has heart! Can't wait to see more endings.

<https://youtu.be/S8xaWHYEP7s>. great fun game with a few laughs loved eating the mushrooms and getting crazy. Little Red riding Hood has always been my fave fairy tale, and this wacky lil' game has a bunch of wild "what if" decisions you can make to change the outcome of the story, like befriending the wolf or aiming a shotgun at him when he tries to eat Granny!

I'd loveee to have this as a "Choose your own adventure" book for bed time Q\_Q. Redefines the meaning of the word "perfection".

<https://youtu.be/NFTfQN9oAog>

The adventure game aspects are far too obtuse to capture a young audience while the narrative framing will hold little interest for older players.
